Photo Tips

- 1. Come when the sun sets during low tide
- 2. Use the large tide pools
- 3. Make sure there are no waves and no wind

These 3 tips will help you get the best shots!

Check tide and sunset times here!

Stunning Chichibugahama Beach is a long sand beach stretching about 1km. During low tide, the tide pools create a reflective, mirror-like view of the sky.

Chichibu Club - Protecting the Beach for Over 20 Years

Chichibu Club was founded in 1995 to protect the beautiful Chichibugahama Beach. This volunteer group, which started with 7 members and has grown to over 70, cleans the beach on the first Sunday of each month.
