Chichibugahama Beach

Mitoyo, Kagawa Prefecture

Stunning Chichibugahama Beach is a long sand beach stretching about 1km. During low tide, the tide pools create a reflective, mirror-like view of the sky.

Chichibu Club - Protecting the Beach for Over 20 Years

Chichibu Club was founded in 1995 to protect the beautiful Chichibugahama Beach. This volunteer group, which started with 7 members and has grown to over 70, cleans the beach on the first Sunday of each month.

"We want future generations to be able to love and enjoy this amazing beach."
