Mine some gold dust at a 300-year-old Coppermine! THE GOLD-RUSH EXPERIENCE AT MINETOPIA BESSHI

Here's an easy way to mine you some gold! Get a pan and use that to scoop up some sand from the bottom of the water reserve. After washing with a special liquid, wait for a few minutes until you see something glitter - gold dust! Bring it home and tell all your friends!

Tour around the old Besshi Copper mountain and view its 33 meter gallery with depictions from the Edo period to the modern era. Minetopia Besshi is a theme park built out of the industrial remains of the Besshi copper mine on two sites: Hadeba zone (opened 1991) and Tohnaru zone (opened 1994). Both adults will definitely enjoy a fund day at the site! The Tohnaru zone is also popularly known as the 'Machu Picchu of the Orient' - be sure to come visit and see for yourself!
