# TOURIST ATTRACTIONS

## Ritsurin Garden

"Ritsurin Garden" is a daimyo (feudal lord) garden which was completed over a period of one hundred years. This spacious garden features ponds and landscaped hills, and you can enjoy the changing landscape while strolling. It's attractive not only in its scenery but also in its structures and facilities. At Kikugetsu-tei you can have "Matcha" while viewing the picturesque landscape. The Shoko Shoreikan (Commerce and Industry Promotion Hall) and Sanuki Mingeikan that exhibits Sanuki Folk crafts are onsite, and you can enjoy a ride on a Japanese boat, the "Senshu maru".

- 🏠 1-20-16 Ritsurin-cho, Takamatsu-shi, Kagawa
- 🕒 From the sunrise till the sunset (please check the exact time on the website)
- 🕒 Open all year round
- 📄 Admission fee: Adults 410 yen, Children 170 yen (For groups of 20 or more: Adults 320 yen, Children 140 yen)

## Takamatsu Marugame-cho Shopping Arcade

This shopping arcade stretches for 470 meters long filled with well-known brand shops and cutting edge fashion brand shops. Marugame-cho has a history of over 400 years after the Takamatsu Castle (currently called Tamamo Castle) had been built and the city "Takamatsu" had become a popular place that had connected the mainland Japan and Shikoku.

# TOURIST ATTRACTIONS

## Chichibugahama Beach

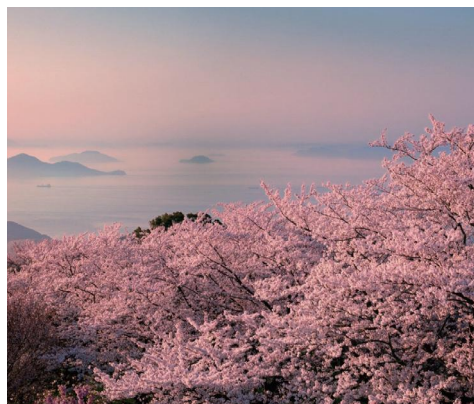

It is a long beach of approximately 1km with a lot of visitors during the summer. A spectacular view of the sunset was chosen to be one of the best 100 views of sunset in Japan. It was chosen to be the best sunset location by one of the prestigious travel websites. Popularity has been going up as a photogenic spot just like Uyuni salt lake in Bolivia, South Africa.

☎ Mitoyo City Tourism Information Bureau is closed on Tuesdays (may change)

## Mt Shiude

Long time ago, Urashima Taro opened this magical box and the smoke out of the box became purple clouds over the mountain. That is why it is called Shiude (purple mountain). There are various flowers such as over 1000 trees of Sakura in spring and hydrangea in the early summer. This place was chosen to be a film shooting spot as you can command a great view of islands scattering over the Seto Inland Sea.

📍 451-1 Ohama, Takuma-cho, Mitoyo (Shonai Peninsula)

## Zenigata Sand Coin (Kotohiki Park)

This sand sculpted in the design of an old Japanese coin stretches 122 meters from east to west, 90 meters from south to north and its perimeter of 345 meters. You will clearly see its round shape once you go up to the view point on the mountain. This was made overnight in 1633 to welcome the lord Takatoshi Ikoma. There are many visitors here every year as you will be healthy for a long time and have no problems in money once you see this sand sculpture!

# UDON TAXI

Ride the Udon Taxi around various UDON restaurants in Kagawa!

Produced by KOTOBUS TAXI

## What's UDON?

Udon is white noodle made of wheat flour. It is eaten with soy-sauce flavored broth.

## Why Kagawa is Famous for UDON?

Kagawa prefecture is famous for "Sanuki Udon", so the prefecture is called "Udon prefecture". A person in Kagawa eat about 33kg of Udon for one year. There are about 800 Udon restaurants in Kagawa, and every restaurants are cheap and delicious, so many tourist come to eat Udon.

## This is Udon TAXI!

UDON TAXI drivers have passed 3 tests.

- Written Test!**  
"What is special about this udon restaurant?" "How much udon is served per person?" They have to answer all the most difficult questions.
- Field Test!**  
What's the point of a knowledgeable guide if they're not interesting? An examiner rides with them in the taxi to give on-site exams.
- Handmade Noodle Test!**  
The final test the driver must face. They have to make handmade udon themselves! They master the secret techniques of Sanuki udon.
