## JAPANESE SHIROSHITA SUGAR-MAKING WORKSHOP

A taste of nature's natural sweetness!  
A special kind of treat-making!

Shiroshita sugar is normally made black, but in this shop, they make white Shiroshita sugar. The special thing about this is that, it can also be used as a treat during Japanese tea ceremonies, instead of being used just as a condiment.

After making your sugar by hand, you are also able to bring it home as a souvenir.

## KOKERA SUSHI WORKSHOP

The sushi that looks as brilliant as it tastes!

Kokera sushi uses yuzu vinegar and a lot of umami in its flavors. In the past, rice was a scarce and valuable resource, but during times of celebration sushi is a must during the feast. Even now, Kokera sushi is considered to be "the flavor of the past" and is served in large platters during events.
