SANUKI DINING

香川県おすすめレストラン
さぬきダイニング

Officially certified by the Kagawa Prefectural Government, "Sanuki Dining" is the name of the exclusive restaurant offering distinctive dishes prepared with Kagawa foods and products. "Sanuki" is the ancient name of Kagawa, and this restaurant still honors tradition by incorporating foods from local farms and fishing grounds and harvested and produced by food artisans with lots of love and care. Why not come to "Sanuki Dining" and embark on a culinary journey where you are sure to create lovely memories through our unforgettable cuisine?

The optimal climate and natural features of Kagawa result in delicious ingredients

Blessed by the Setouchi climate of stable and moderate temperatures year round, Kagawa is ideal for growing crops such as olives, so much so that it can boast of being the first place in Japan where it was successfully cultivated. The climate is also ideal for harvesting a large selection of fish including yellowtail from the ocean, and for making the Kagawa specialty of udon noodles.

Local Sake

that is generated by the special climate and environs of Kagawa

Natural, pure water from the Asan Mountains and a superior quality of rice suitable for sake brewing make Kagawa synonymous with exceptional local sake.

Wines and liqueurs, Extensive varieties
Sanuki Wine made from grapes and liqueurs made from strawberries based on Japanese sake are quite popular.

Fruits and vegetables, Fresh and Flavorful

Crops in Kagawa are incredibly fresh, tasty and healthy. Since Kagawa is blessed with long sunny days and warm temperatures year round, the fruits and vegetables are bathed and nourished by sunlight and care and result in truly delicious flavors.
